

Next Film Series Set at El Camino

No admission will be charged when El Camino College presents the next in its current Lecture-Film series in Room 8 of the Administration building Tuesday evening at 8 p.m. The public is invited to attend.

Heading the Tuesday evening program is a film, "Northwest USA" which gives viewers a glance at life in the northwest sector of the nation. Following it will be "The Mixer," which gives visual evidence that drinking and driving do not mix. "Wings to Viking Land" is a novel picture, and "The Driftwood Derby" features the story of outdoor racing from Albany to New York.
